# Completely new team for the 2021 New Prague baseball squad

**Coach:** Tanner Oakes

**How many years and career record?** 3rd Year

**2019 overall record and accomplishments (Conference, Section, State):**

18-9 Record, WCC Co-Champs, Section IAAAA Champs, Class AAAA Runner-Ups

**Please give an overall outlook for the coming season (Expectations, goals, etc.):**

With the unprecedented spring last year, there are a lot of unknowns coming into this year. We have no players that have any varsity experience because of last season being cancelled. With that being said, we expect guys to step up and compete to the best of their abilities. We will have a lot of different guys battling for playing time which will create competition. As a team, our goals are to improve every game and limit mental errors. These are two things that we can control by making sure we are focused during practices, being prepared for all situations, and learning from our mistakes.

**Key returnees to this year's teams (Position, experience, past honors, statistics, etc.):**

sity players due to last season being cancelled.

**Other athletes new to the varsity who will play important roles (Position and what they bring to the team):**

We will have 11 seniors on the varsity roster who will all play an important role. Gavin Bergman, Drew Otteson, Beau Plaisance, Jack Ulschmid, and Matt Zweber will lead the pitching staff as seniors as well as providing quality at-bats at the plate.

Isaac Buehler, Aiden Dorzinski, Carter Malecha, and Jack Thomas will be a part of the infield, and Bennett Isley and Taylor Nordrum will provide depth in the outfield. Juniors Matt Friedges and Jack Giesen will be relied upon for some innings on the mound as well as being consistent hitters at the plate. Juniors Eddie Sirek and Luke Shepard will compete for innings in the outfield, and sophomore Nolan Eischens has the ability to play multiple positions and help on the

mound. Junior Ben Tupy is another guy who could contribute on the mound.

**Key losses from last year?**

We lost 18 seniors from the previous year. As a group, they set the bar extremely high with their work ethic and attitude and made a tremendous impact on the baseball program.

**What is the most important thing you hope your team will accomplish during the coming year?**

Our hope is that this team will commit to all the little details that it takes to become successful not only on the baseball field but also in the classroom, in the community, and in their futures.

**2019 conference champion?**

New Prague and Hutchinson were co-conference champions.

**Which teams will challenge for the conference title?**

Hutchinson, Orono, Waconia, New Prague

**Where do you expect to fit in the conference this year?**

We expect to have a chance to be at or near the top of the conference.

**Which teams will be in the hunt for the Section title?**

Farmington, Rochester John Marshall, Rochester Century, New Prague

**Where do you expect to finish in the Section?**

We expect to have a chance to be in the top half of the section.

## Sayler and Schaus return to tennis team with varsity experience

**Head Coach:** Jill Bailey

**Assistant Coach:** Toby Thietje

Bailey has 14 years of experience coaching tennis at the high school or college lev-

el. (First year as head boys coach at New Prague)

Thietje has 6 years of experience coaching tennis at New Prague.

Junior Jonathan Sayler and senior Jake Schaus return to 2021 team with some varsity experience. Sadler will likely lead the #1 singles spot throughout the season. Schuas is

very athletic and a versatile player. He will benefit the team at singles and doubles.

Junior Morgan Masberg and sophomore Ezra Greenman look to step in at key singles spots while seniors Ryan Musil, Matt Beatriz, and Jack McDonough will lead the team in doubles.

Other individuals that will see action at singles and doubles are juniors Jaxon Fjeldahl, Henry Cox, Jeff Bisek, Sullivan Hart, Cale Emerson, and Ryan Foust. Seniors Cam Sheriff and Trace Mayer, and freshmen Josiah Anderson and Cain Kalina.

Orono will be a team favored to win the conference.

Teams that will likely be in the hunt for the section title are Orono, Minnetonka, Eden Prairie, Prior Lake.

Team goal is to finish in the middle of the Wright County Conference.

Bailey said they would also like to improve and advance in the section tournament by advancing past the opening round.

"This year there are many opportunities for players to step up. What we lack in experience we hope to make up with our athleticism. They are an athletic and coachable group. If they focus in practice and do what we ask, they have the ability to improve fast," Bailey said. "Throughout the season our mission is to play with purpose. We want to improve and compete in every point."

# Trojan boys track team should battle for WCC title

**Coach:** Nick Meyer

**How many years and career record?** 15 years as head coach

**2019 overall record and accomplishments (Conference, Section, State):**

3rd of 6 in WCC East. 12th of 16 in Section 2AA.

**Please give an overall outlook for the coming season (Expectations, goals, etc.):**

Especially after losing the 2020 season, we are very excited to have the opportunity to have a track and field season this spring!

It is difficult to know where we fit in the WCC East and Section 2AA picture right now after the lost 2020 season, but we are very happy with our first few weeks of practice and we believe we will be competitive in both the conference and section.

We plan to have as much fun as possible, take each day one at a time, and focus on getting better each week so that we are prepared to be at our best for the championships.

**Key returnees to this year's teams (Position, experience, past honors, statistics, etc.):**  
SENIORS

Ian Lillquist was one of the top triple jumpers in the WCC East and is a varsity contributor in the sprints. He is a versatile athlete and an excellent role model.

Jon Ouradnik is a returning varsity thrower and will likely be our top shot put and discus athlete this season. He does a great job of setting a good example for young throwers.

Adam Brandt has been a top distance runner in the conference for the past three years. He is a WCC East conference champion in cross country and is well trained for this spring. We believe he is poised to succeed this spring. He is also a strong leader.

John Taylor has been a varsity contributor in the middle distances for the past several seasons. He is a hard worker, a fierce competitor, and an excellent leader and teammate.

Jake and Evan Helvick were new to track and field last spring but are experienced as distance runners through cross country. Both will be varsity athletes.

Seth Dickerson, Regan Perez, Josh Simon, and Max Woodyard will all be excellent leaders.

**JUNIORS:** The following were varsity contributors as 9th graders in the 2019 season:

Jacob Lee was one of our top 200m and 400m athletes and is also a capable jumper.

Ethan Chromy, Aidan King, Matt Kudrle, Chase Trygestad were varsity athletes in the hurdles, sprints, and jumps.

Brody Wolch was one of our top sprinters and is also a

potentially valuable hurdler and jumper.

Owen Hartmann made the varsity team in the jumps. He will also be a sprinter and hurdler.

James Sackett was a varsity pole vaulter and is one of the fastest sprinters on the team.

Jacob Malecha was one of the top distance runners as a ninth grader, and has continued to develop.

Mitch Krostue was new to track and field last spring but has been a varsity cross country runner.

All of these athletes have continued to develop athletically, and we are excited to see them compete!

**Other athletes new to the varsity who will play important roles:**

All of our 9th and 10th graders are essentially new to high school track and field. There are several who show potential for being varsity contributors:

Distance: Dustin Anderson, Hugh Goggins, Ryan Schoen, Jack German

Sprinters/Jumpers/Hurdlers: Jon Grams, Jack Hennen, Kaden Lukkes, Nino Morris, Semaj Morris, Carson O'Conner, Michael O'Rourke, Isaac Stanger.

**Key losses from last year?**

We lost several of our top sprinters and jumpers to graduation, including Jake Lee, Ryan Schoenbauer, Ephrata Chinedu-Eneh, and Joey Beaudette.

Carson Davis was one of the best 400m and 800m athletes in school history.

Zach Morris, Max Russo, and Josh Anderson were varsity contributors in the distance events.

**What is the most important thing you hope your team will accomplish?**

I hope that we will be able to have a full and complete season. In the past year, we have really learned the value of just being able to have a season!

I hope that all of our kids will have a positive experience and that they will have fun.

I hope that our athletes will commit to excellence and to a team-first mentality and that they will take pride in improving each day and with each meet.

I hope that we will improve as a team, that we will compete for a WCC East title, and that we will perform at our highest level for the championship meets, including the Section 2AA meet.

**2019 conference champion?** Waconia

**Which teams will challenge for the conference title?**

Waconia, Orono, and New Prague were the top 3 teams in 2019.

**Where do you expect to fit in the conference this year?**

After missing the 2020 season, I think we'll need to see some early season results before we know how we "stack up." That being said, I believe strongly that we can contend for a WCC East team title

**Which teams will be in the hunt for the Section title?**

Mankato East, Mankato West, Shakopee, Buffalo, and Chanhasen were the top 5 in 2019. All five have been competitive in the upper echelon of the Section for most of the past 15 years.

**Where do you expect to finish in the Section?**

We hope to move up and be competitive in the upper echelon of Section 2AA. We have a great group of kids and many who are capable of contributing to the varsity squad. With a small senior class, we'll need our juniors and some of our 9th and 10th graders to step into bigger shoes this year. Placement at the conference and section meets is largely determined by having top athletes who can win or place very high in certain events and also on having the depth that allows your team to score multiple athletes in each event and in the relays. We will strive to have both this year.

**Please give an overall outlook for the coming season (Expectations, goals, etc.):**

We have a young team with high quality student athletes. We should be strong in the sprinting events where we have numerous tracksters looking to place high in the conference and section. We will be looking to take the conference title this year and a top spot in the True Team section and the MSHSL Section meets. Of course we are

looking to stay healthy and finish with the whole competing the entire season.

We are facing several new 4A opponents and some solid pitching but look forward to the challenge. Chanhausen and Northfield are two opponents that will better prepare us for the postseason.

**Key returnees to this year's teams (Position, experience, past honors, statistics, etc.):**

Maggie Vivant (12th grade, 3rd base)-has been a member

# Boys lacrosse teams sets modest goals for 2021 season

**Head Coach:** Paul Newton  
**Assistant Coach:** Eric Herrmann

**How many years:**

This will be our 1st official varsity season as last year's inaugural season was canceled.

2019 - This was our first school sponsored team, which was at the junior varsity level, prior to that we had High School Club Teams and Youth teams for a few years. We had some wins and losses in 2019, but felt great with good momentum.

**Overall Outlook for this Season:**

We set the team goal at 7-6 (13 Games overall), a winning record. We also added winning our first Sectional Game as another goal. The team agreed on goals to strive for with each game as well as their own goals for themselves, for the team, personally and academically.

**Key returnees**

- (Goals & Saves) = Our Offensive Captain - Jordan Chock, Senior, will be a key goal scorer for the team who is fun to watch. He will be playing Division 3 lacrosse next year. Our Freshman Goalie - Aidan Ettlin, played on the JV 2019 team as a 7th Grader. He has good size and a fearless nature. Everyone else has a great attitude and a good mixture of lacrosse experience.

**Key losses from last year:**

We had a lot of Seniors scheduled to play last year, some with good experience and some wanting to try it out for the first time. So, overall registration was high last year where we needed to field Varsity & JV, this year will be Varsity only. There is a talented 8th Grade class coming up next year.

**Most important thing for our team to accomplish:**

Playing up to and beyond our ability, not beating our-

selves which we did one time in 2019 versus Providence Academy.

2019 Conference Champion was Orono.

As far as knowledge about

other teams and expectations, it will be hard to tell who will be the strong team without stats from 2020. We looked at 2019 records, high goals and average goals scored. We will just have to work on our game, watch other game re-

sults, and strive to improve everyday. We play two tough experienced teams at the start - Mankato and then Lakeville North.

Overall, as a coach, my directive is for the boys to have

a positive experience. I can see their positive spirits from the guys just being outside rain or shine, bantering with teammates, and getting to play. Win or Lose we want to try hard, be good sports, and work together!

The girls lacrosse team for 2021 at New Prague High School.

**Coach:** Julie Bowers

have fun.

**How many years and career record?**

2 years, 13 wins and 0 losses (but that was with the Junior Varsity two years ago)

**2019 overall record and accomplishments (Conference, Section, State):** 13 wins 0 losses (JV only)

**Please give an overall outlook for the coming season (Expectations, goals, etc.):**

This is our first year as a varsity program and we will be playing several teams we have not seen in the past. We should be competitive in all of our games, especially against teams we played in 2019. Our goal is to play to the best of our ability and

**Key returnees to this year's teams (Position, experience, past honors, statistics, etc.):**

Returning starters who will bring their skills and leadership experience are seniors Heather Coughlin (A), Allie Schmidt (M), Marin Swedin (A) and Callie Cheever (D). Juniors Eme Halbmaier (A/M) and Jess Lee (D) will also be trouble for opposing teams. Halbmaier was 2019's leading scorer with 36 goals and was in the top three on the team for assists and ground ball pick ups. Lee was a top defender leading the defense in ground ball pick ups and creating turnovers. Junior goalie Brigid Schumacher returns in net. She was rock solid in 2019 with a .701 save

percentage and we are expecting another solid season from her again. Junior Evie Wegner is nursing an injury and will hopefully be able to return to play in May, as she was our second leading scorer and led the team with assists and ground ball pick ups.. Noëlla Tupy (A) and Calista Brotemarkle (A/M) saw playing time in 2019 and will be major contributors on the offensive side of the field this year.

**Other athletes new to the varsity who will play important roles (Position and what they bring to the team):**

We have several new athletes to the team this year and we are looking forward to seeing how they spark the

team including: seniors Brianna Davis (D) and Maddie Fenner (D), junior Noelle Francis and sophomores Karianna Coughlin (D), Joslyn Brotemarkle (M/A), Ella Danner (M) and Lilly Hennes (A/M). Coughlin had experience with the team in 2019 and stepped up to play excellent defense against some tough teams. Other younger players bringing some spunk are freshman Anna Millard (M/A) and Payton Pumper (A/M), eighth grader Aftyn Anderson (M) and rounding out the team is seventh grader Lilly Weiland (A/M).

**Key losses from last year?**

We didn't have any! We are hoping to continue the winning streak, but we know it will be harder this year at a

higher level with some very competitive teams on our schedule. It's not about the wins and losses, but how we play the game and the fun we have playing it.

**What is the most important thing you hope your team will accomplish during the coming year?**

The girls are playing the sport for many reasons and have made personal and team goals. It is our hope as coaches that each and every one of them has a good experience socially, emotionally and athletically while playing a great sport. Along the way we are hoping to pick up a few wins.

**2019 conference champion?** Hutchinson

**Which teams will challenge for the conference title?**

Delano-Rockford, Orono

**Where do you expect to fit in the conference this year?**

We haven't played these teams, but of course we hope for the top half.

**Which teams will be in the hunt for the Section title?**

Lakeville North won the title in 2019 and has a great chance again.

**Where do you expect to finish in the Section?**

Hopefully in the top half, but anything can happen.

**Which teams will challenge for the conference title?**

Holy Family, Orono, Waconia

**Where do you expect to fit**

**in the conference this year?**

We hope to finish in the top half of the conference this year.

**Which teams will be in the hunt for the Section title?**

Waconia

**When do you expect to finish in the Section?**

Top Half... Best Section in the state. The State Champi-

on usually comes from our section.

**Anything else you would like to add about your team?**

Excited for the season. We have a lot of new golfers this year. It is exciting to see how much the sport has taken off since the start of COVID.

## Trojans girls golf team will be led by four seniors

**Head Coach:** Stephanie Williams - 4th year as head coach.

She is a six-year letter winner at New Prague and graduated from NPHS in 2010, played in four State Tournaments, and played golf at the University of Nebraska where she was a four-time Academic All-American.

The Trojans did not make

it through sections Day 1/ State in 2019.

We have a young team this year as well as girls who have been in our program for a while. It will be exciting watching the young players develop their game throughout the next few years as well as seeing the upperclassman compete. We are hoping to continue to gain competitive

experience and play well in conference and sections.

The most important thing for me to see as a coach is the girls carrying their positive attitude into competition play and getting better each day. I am lucky to coach a team that is committed, wants to get better, and enjoys being with each other every day (even in the 30 temps! :))

We have four seniors- Hannah DeGross, Sammy Krych, Carly Gothberg, and Sydney Hemann. Sydney Hemann has been part of our varsity lineup for the last three years.

We also have some young players who are vying for varsity spots this year which will be fun to watch play out. There are 8th and 9th graders that will be competing at the

varsity level in many matches. This is fun for Coach Holgate and myself. Juniors include Macey Hager, Adelyn Simon, Brynn Sticha, and Abby Wright. Sophomores include Adria Kocina, Piper Kocina, and Ruth Zvanovec.

**2019 Conference Champ:** Hutchinson.

Our goals are to compete at

sections and make it through to Day 2. We also hope to compete for a top position in conference.

It is hard (to predict conference and section finishes) because of last season being washed, so a lot of younger players are going to prove themselves throughout the season for spots.

# Trojans looking to develop skills during shortened season

**Coach:** Shellie Kriha and Julie

**Please give an overall outlook for the coming season (Expectations, goals, etc.):**

We are a very young team so zeroing in on skills is our main priority for building a solid team.

**Key returnees to this year's teams (Position, experience, past honors, statistics, etc.):**

Evan Minar (from New Prague HS) and Breanna Stark (from Jordan HS) are our returning players. Both are juniors. They will be the leaders in the infield.

**Other athletes new to the varsity who will play important roles (Position and what they bring to the team):**

Ray Parker (11th), Trystan Seger (8th), Landon Malecha 98th), Carter Tupy (7th) will be players to watch this season. They are first year players, but come with experience from playing baseball in the earlier grades.

**Key losses from last year?**

We graduated the following athletes last year to graduation. Seth Danner, Garrett Gagner and Dani Jorgenson

**What is the most important thing you hope your team will accomplish during the coming year?**

First we hope our team to build great relationships with their team members.. At the same time learn the ins and outs of the game and sharpen their skills. This will be a learning year for all of our new players and our success will depend on their learning the positions and building their skills.

**Which teams will challenge for the conference title?**

We will be playing a shortened season, so there will not be a State Tournament for our team this year.

**Where do you expect to fit in the conference this year?**

We are using this year as a rebuilding year and a year to develop skills, so are hoping to end up at .500 wins/loses.

**Anything else you would like to add about your team?**

This team consists of only 11 players this year and all except 3 have no experience. We hope to build the skills and experience and complete as best we can.
